

The institution runs language lab in English department and Computer Lab for Commerce C.A students. It is maintained by hired vendors who regularly maintain it and all the computers as well. The library is very well managed by librarian Shri Niraj Jain who with great effort maintains it. The classrooms are utilized and to the optimum, are cleaned weekly and regular classes are held in it. The classrooms are under cctv camera surveillance and wifi connectivity is there. The college envisages transparent, focused, utilitarian and consequential procedures and policies only for the betterment of students and their welfare being sole aim and object.
